<p><b>Introduction</b></p>	<p>Swimming is both team sport and personal sport. Athletes try their best to get the quicker and better grade to win the competition. Ming Chuan swimming team has continuously won the top five places in national Swimming championship of the higher education (NSCHE) in the latest years. Currently, the general university students are the main participants in the MCU Swimming team. We practice swimming every Tuesday and Thursday evening at the swimming pool in Shilin Sport Centre in Taipei.</p>
