Article 1 These enforcement rules were established in accordance with Article 6, Clause 2, Section 5 of Ming Chuan University Implementation Plan for Physical Education.

Article 2 To encourage students to have regular exercise habits and be aware of their own physical fitness and promote the physical fitness project announced by Ministry of Education, physical fitness abilities are included as part of the required sports capability indications for MCU students and criteria for the required physical education course for second-year undergraduates. Qualified students may waive the course.

Article 3 Participants: All first- and second-year students.

Article 4 Assessment standard: The assessment standard is determined in accordance with "Ming Chuan University Enforcement Rules for Sports Capability Requirements." Students passing the sports capability assessment test may waive the second-year physical education course.

Article 5 Implementation:

1. First stage recognition: First-year undergraduate students and second- and third-year transfer students shall apply for recognition after the results of sports capability assessment test in the first semester are announced. Recognized students

may waive the second-year Physical Education Course.

2. Second stage recognition: First-year students with special conditions and second- and third-year transfer students shall apply for recognition after the results of sports capability assessment test in the second semester are announced. Recognized students may waive the second-year Physical Education Course.
3. Third stage recognition: Second-year students who are taking physical education course may apply for recognition after the sports capability assessment re-test in the first semester. Recognized students may waive second-year Physical Education Course in the second semester.

Article 6 Exceptions:

1. Special education students evaluated and determined by Individual Support Program (ISP) of not being able to take any physical education course or special physical education course may apply as special case to waive the second-year Physical Education Course.
2. Student athletes on school teams approved by Physical Education Office may waive the second-year Physical Education Course.

Article 7 Upon being approved by Academic Affairs Committee Meeting and the president, these enforcement rules were announced and implemented. Any revision must follow the same procedure.

In the event of any inconsistency or discrepancy between the Chinese and other language versions of this document, the Chinese version shall prevail.
